IMPORTANT NOTICE REGARDING CENTRAL VENDOR REGISTRATION

The State of Delaware launched a free Vendor Subscription service on August 1, 2009, to advise of solicitations in specific areas of interest as defined by the vendor community. Please take a moment and register to receive notification using the following link: <https://diss.state.de.us/DWS/public.diss>. This service compliments the central solicitations website, <http://gss.omb.delaware.gov/bids.shtml>, and is a one stop shop for RFPs, ITBs and RFIs for the State of Delaware. Registration enables you to receive an alert for each solicitation of interest to your business at the time of posting.

Beginning October 12, 2009, the Delaware Department of Correction will no longer maintain a Vendor Registration List Serve in favor of vendors registering for the new subscription service. Any vendor currently listed with the Department of Correction must register with the State of Delaware to receive future announcements.

Please contact me at (302) 857-5262 or email, Paul.Giery@state.de.us, with any questions or concerns.
